2010 CALIFORNIA  
WHITE WINE

**IN THE VINEYARD**

The hills of California, glowing amber as the sun sets over the Pacific Ocean, possess a mysterious alchemy that makes them the perfect place to grow the grapes of seductive wines. Blended from grapes carefully selected from prestigious AVAs throughout California, our Secret Blend White Wine embodies the true taste of its California terroir.

**ABOUT THE VINTAGE**

2010 was a very active year for winemakers. The relatively cool growing season coupled with the unexpected heat spikes in late summer resulted in a late and shortened harvest with lower yields that kept winemakers on their heels. Surprisingly, the grapes had concentrated flavors that are proving to materialize into elegant, structured wines. This Secret Blend White Wine is no exception to this memorable vintage.

**WINE PROFILE**

The floral notes of our 2010 White Wine lift lightly from the glass and intermingle aromatically with scents of orange blossom, jasmine and rose petal. On the palate, this refreshing wine offers flavors of honeysuckle, pineapple and Fuji apple with slight hints of melon and guava. A balanced acidity contributes to a lush, round mouth-feel and leads to a lasting, vibrant finish.
